ABOUT NDEBUMOG:

Niger Delta Budget Monitoring Group (NDEBUMOG) was conceptualized and founded in July 2005. The organization is registered with the Corporate Affairs Commission (CAC) and holds a Special Consultative Status with the Economic and Social Council (ECOSOC) of the United Nations. **From** inception, NDEBUMOG has contributed significantly to Nigeria's and global development processes through partnerships, collaborations, research, lobbying and capacity building to communities and relevant stakeholders. These are on areas of public procurement, budget analysis, budget monitoring/tracking, basic economic literacy, shadow budgeting, tracking of illicit financial flows and enhancing communally centered capacity to pursue fiscal justice and social equity. NDEBUMOG equally campaigns and propagates for inclusive (participatory) budget, fair and justifiable taxation, and remediation of audit gaps in Nigeria's extractive sector. NDEBUMOG is the pioneer civil society group that engages in budget work

across the Niger Delta, networking, and synergizing with other fiscal governance CSOs across Nigeria. Many budget and fiscal governance activists across the region benefitted, either, on capacity enhancement, mentorships, collaborations or from budget intelligence, among others, from NDEBUMOG. We have equally related critically with Anti-Corruption Agencies (ACAs).
