Kaiama and the Niger Delta struggles

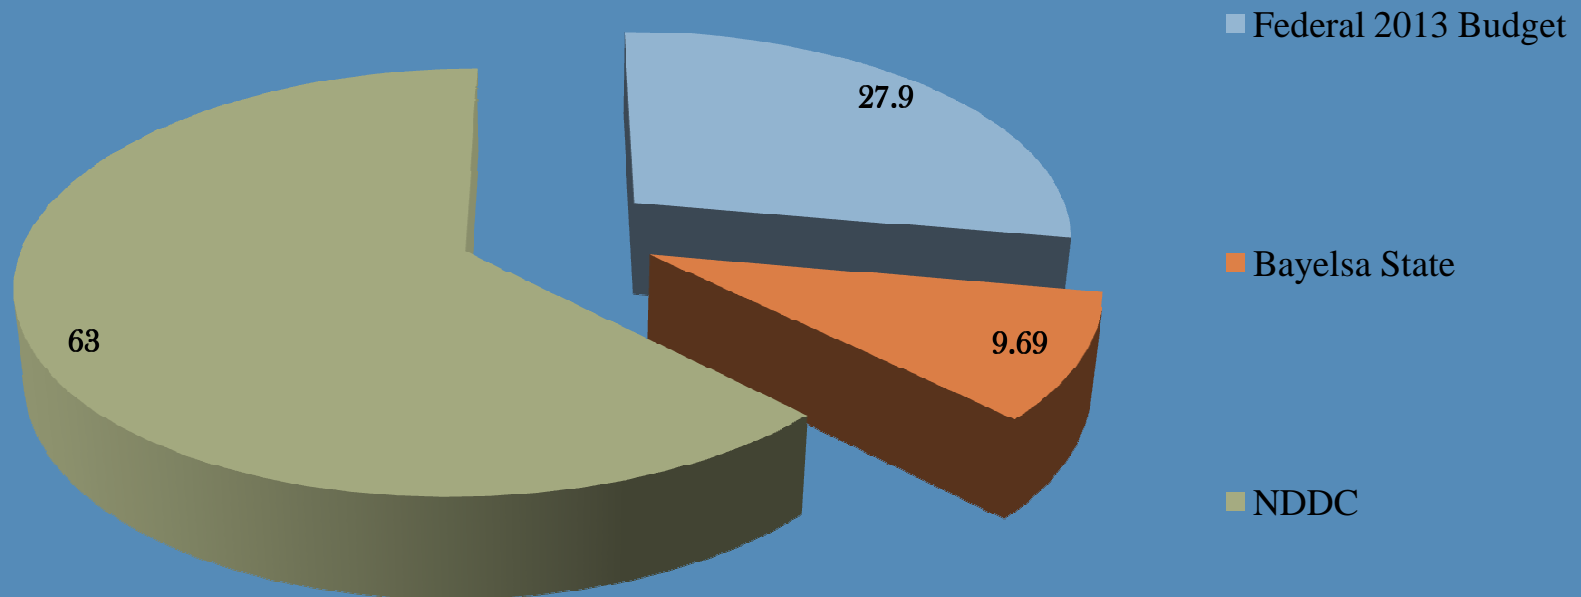

- History of the struggle for the emancipation and development of the Niger Delta cannot be complete without a mention of Kaiama
- Kaiama is unique in many ways, as highlighted in my opening remarks
- The people of Kaiama, cannot therefore, take a back seat on issues of government budget, as it affects the people of the area

What are the projects, we are looking for the Kaiama axis as at the 2013 fiscal year?

- NDEBUMOG extracted 19 projects affecting Kaiama axis in the Federal Government of Nigeria's 2013 Appropriation Act Amendment Act
- 16 projects were extracted from the Bayelsa State Government 2013 budget, as it affect your area.
- 103 projects were extracted from the 2013 capital projects budget of the Niger Delta Development Commission (NDDC)
- **Please note:** these are not all the projects for your axis for 2013 but the ones we picked randomly at our discretion.
