INSTITUTIONAL PROFILE

WHO WE ARE- Niger Delta Budget Monitoring Group!

Niger Delta Budget Monitoring Group (NDEBUMOG), was conceptualized and founded in July 2005. It was registered by the Corporate Affairs Commission (CAC) in 2009, and holds, a Special Consultative Status, with the Economic and Social Council (ECOSOC) of the United Nations and is active in the US government's SAM and FSD platforms, with a UIN, subject, to annual renewals.

From inception, NDEBUMOG, has contributed, significantly, to Nigeria's and global development processes, through partnerships, collaborations, researches, strategic influencing/lobbying and capacity building to communities and relevant stakeholders. These, are on areas, such as, fiscal discipline, public procurement, budget analysis, budget monitoring/tracking ([F4A Year 5 Tracked Projects and Programmes by Affiliates Shadow Budget Groups – NDEBUMOG Affiliates](#), [F4A Year 4 Tracked FGN's Capital Projects and Programmes by Affiliates – NDEBUMOG Affiliates](#), [F4A Year3 Tracked Capital Projects And Programmes By Affiliates – NDEBUMOG Affiliates](#), [F4A Year 2 Tracked Capital Projects and Programmes by Affiliates. – NDEBUMOG Affiliates](#)). Some, desk reviews, usually undertaken, before, budget tracking exercises, could be viewed here: [Desk Review of FGN's 2025 Appropriation by Affiliates Shadow Budget Groups. – NDEBUMOG Affiliates](#), [Desk Review of FGN's 2024 Appropriation by Affiliates Shadow Budget Groups. – NDEBUMOG Affiliates](#)). Other, thematic areas of interest are: basic economic literacy, shadow budgeting, fiscal (expenditure) justice, tracking of illicit financial flows, gender-equity and economic inclusion for women, among others. NDEBUMOG, equally, campaigns and propagates for fiscal inclusivity, justifiable taxation, extractive-justice, particularly, for women, climate-friendly-fiscality and responsible-extractive-sector's gains for society, through responsive private sector's players, etc.

NDEBUMOG, is the pioneer civil society group, that, engineered and engages in constructive budget work, across (Nigeria's) Niger Delta, networking and synergizing, with other fiscal governance CSOs, across Nigeria. We, have built/shall, continue to build capacity of local communities to be able to demand accountability on their own, together, with (increasing) communal interests to demand electoral-accountability from state-actors. Many budget and fiscal governance activists, across the (Niger Delta) region benefitted, either, on capacity enhancement,

mentorships, collaborations or from budget intelligence, among others, shared by NDEBUMOG. We, have equally, related, critically and strategically, with Anti-Corruption Agencies (ACAs) for fiscal remediations and democratic-accountability. Currently, NDEBUMOG's institutional scope, has expanded, to 45 (affiliated) Women Shadow Budget Groups ([NDEBUMOG Affiliates – Niger Delta Budget Monitoring Group Affiliates \[NDEBUMOG\] Institutional Affiliates](#)), a Think-Tank ([Institutional Think Tank – Niger Delta Budget Monitoring Group](#)) and host/secretariat of Nigeria's Civic Space Protection Alliance ([NCSPA in the News { Print } – Niger Delta Budget Monitoring Group](#)). The later (NCSPA) conceptualized in 2021 (by NDEBUMOG), through Oxfam's *Fair for All (F4A)* program (<https://www.oxfamnovib.nl/fair-for-all>). Other projects, implemented by NDEBUMOG, through collaborations, with Oxfam Nigeria/Oxfam America are: *Deepening Expenditure Line-Tracking for States and Local Governments in the Niger Delta (DEL4SLOG)*, *Strategic Partnership Program (SPP)*, *30% Campaign for Women Economic Inclusion*, and, *Protecting Rights of Women in Extractives*.

For example, in October 2005, following Nigeria's exit from London and Paris Club of creditors. through a debt relief, that, was granted to Nigeria, after the payment of \$18 billion (negotiated) exiting, threshold. There was an agreement, that, Nigeria, must, channeled (fiscal) benefits of the debt relief to pro-poor expenditure- lines spending. A monitoring and evaluation (mechanism) was developed for the Paris Club (Debt Relief Gains (DRGs), which, brought together, government, private sector, and civil society groups, into a (joint) monitoring and evaluation structure for evaluation and tracking of impacts of the DRGs to Nigeria. NDEBUMOG, was among, civil society groups, selected, through competitive bids for the monitoring and evaluation exercise(s), that, lasted from 2006 to 2013. During this assignment, NDEBUMOG, contributed to several reports and populated, the National (Monitoring) Portal, through, a national reporting structure. These, were tailored to measure, Nigeria's national progress towards Millennium Development Goals (MDGs) in 2015. The monitoring (structure) was managed by Office of the Senior Special Assistant to the President on MDGs (OSSAP-MDGs), which, also handled coordination of releases of field reports. Presently, OSSAP-MDGs (in Nigeria) is referred to as OSSAP-SDGs. The United Nations, equally, engaged NDEBUMOG, in the Post 2015 Consultative processes, that, berthed the SDGs. The Federal Government, though, the Budget Office of the Federation (BOF), also, engaged NDEBUMOG, as sector-expert in the Medium-Term Sector Strategies from 2008 to 2011. NDEBUMOG, was assigned to Federal Ministry of Defence in 2008, Federal Ministry of Niger Delta in 2009, 2010 and 2011. NDEBUMOG, has engaged with the government on MTSS/MTEF for several years, though processes and methods, are shaped, by revolving political and national fiscal factors (NFF), depending, on the government in power. NDEBUMOG, was among, invited discussants by the Nigeria Economic Summit Group (NESG) to the 14th Nigerian Economic Summit in 2008.

In November 2006, NDEBUMOG, conducted a capacity enhancement training on "Procurement Due Process" for Local Government officers, across 18 Local Government Areas in Cross River State. This, was in line with NDEBUMOG's commitment to fiscal discipline in the third tier of government. The event, was organized in collaboration with the (then) Budget Monitoring & Price Intelligence Unit (BMPIU), now refers to as Bureau for Public Procurement (BPP)-State House, Abuja, Cross River State Planning Commission, together, with the Local Government Service

Commission. Support, for this training, was provided by United States Agency for International Development's (USAID)-REFORMS Program. It was the first of its kind in Cross River State, by a civil society organization, as at 2006. In addition, through partnership, with Office of the Senior Special Assistant to the President on MDGs (OSSAP-MDGs), NDEBUMOG, collaborated, with the Budget Office of the Federation (BOF), to conduct, a training on "Budgeting for MDGs in the Niger Delta" for MDAs across the (Niger Delta) region. This was done, with support, from National Democratic Institute for International Affairs (NDI) in 2007. MDGs -Line Ministries, across the six (Nigeria's) south-south states, participated! This workshop, resulted in another collaboration, between Bayelsa and Cross River state government, for capacity, sharing on Medium Term Expenditure Framework (MTEF/MTSS) evolutions, sub-nationally.

Around 2006, NDEBUMOG, consolidated (collaborative) partnerships, with fiscal entities, including, the Bureau for Public Procurement (BPP), Abuja. BPP, was (then) known, as Budget Monitoring & Price Intelligence Unit (BMPIU). Through, collaborations, with, other civil society groups, NDEBUMOG, played a critical role, through advocacies and (legislative) lobbying for final passage of Nigeria's Public Procurement Act in 2007. Following, NDEBUMOG's strategic relationship with the BPP, NDEBUMOG was appointed, technical-facilitator of BPP's (South-South) Zonal Sensitization programmes, which was, to enlightened Nigerians, about Nigeria's Public Procurement Act. It covered, five (5) years, being sensitizations in Calabar (2008), Port Harcourt (2009), Asaba (2011) and Benin City (2012) and BPP's Federal Government's Contractors Forum in Asaba in 2010.

Before, the formulation/presentation of Bayelsa State Public Procurement Bill to the State House of Assembly, the (then) government of Bayelsa State, under the leadership of Governor Goodluck Ebele Jonathan (who later, became Nigeria's President), conducted, a pilot training on "Procurement Due Process" for senior civil servants in Bayelsa State. The event, took place in February 2006, at the Sport Complex in Yenagoa. It was a collaboration, between, Bayelsa State Government and Budget Monitoring and Price Intelligence Unit (BMPIU), State House, Abuja. NDEBUMOG, was the only civil society organization, that, was invited (among, technical facilitators) to deliver a (technical) paper on "Domestication of Due Process Mechanism in Bayelsa State". Part of NDEBUMOG's recommendations (on end users' inclusion) was captured in S.28 of the Bayelsa Public Procurement Act. This Act, was signed into Law by the (then) Governor Timipre Sylva on the 17th of June 2009.

In 2007, the British High Commission, in collaboration, with Oxfam GB and Movement for the Survival of Ogoni People (MOSOP), organized a training programme on "Improved Budget Management Systems for Effective Local Government Administration in Nigeria". The program, was targeted at Legislative Councilors in Rivers, Bayelsa and Delta State. NDEBUMOG, was MOSOP's Technical Partner for the project. NDEBUMOG, also provided technical support, during DfID's *Strengthening Accountability in the Niger Delta* (STAND) project. STAND, was initially, handled, by IDASA. But, later handed to Stakeholders Democracy Network (SDN). In 2008, NDEBUMOG, was elected to the Board of the National Procurement Watch Platform. By 2012, NDEBUMOG, voluntarily resigned from the position. Around the period, NDEBUMOG, also, was elected into the Board of West Africa Civil Society Forum (WACSOF). NDEBUMOG, served in the WACSOF's Board for two (2) years.

Remarkably, NDEBUMOG, led a team of experts, that, drafted (civil society's version of) Edo State Public Procurement Bill. Afterwards, Edo State legislature, harmonized and adopted, vital provisions from the (civil society) version, into, the central Bill, which, was deliberated and passed into law, by Edo State House of Assembly. It was signed into law by the (then) Governor of Edo State, Comrade Adams Oshiomhole in 2012. This assignment, was conducted, through a collaboration, with Environmental Rights Action (ERA), Benin City, with support from Open Society Initiative for West Africa (OSIWA). Edo State Public Procurement Act, was passed, with communally responsive clauses. The law is communally friendly! Some of the responsive clauses, included: quarterly, state of public procurement report to citizens; needs assessment and analysis; civil society monitoring and observation of bidding processes; community inclusion; membership of civil society in the Board, among others. In 2011, the Federal Government, appointed, NDEBUMOG, into a team of experts, that, was mandated to carry out a five-day Procurement Audit of the Niger Delta Development Commission (NDDC). This assignment was conveyed through a letter, with ref no: **BPP/S.11/CCMD/VOL.VII/433** dated 5th July 2011. Ironically, there was a bottleneck! The assignment was frustrated, which, led to immediate constitution of the Oronsaye's Committee by the Federal Government to probe the agency. The Committee's report, among others, recommended immediate dissolution of the (then) NDDC's Board. The Oronsaye's Committee recommendations was enforced by the Federal Government on the 13th of September 2011. NDEBUMOG's expertise on procurement audit was further reechoed by the Federal Government, through, a letter dated 27th July 2015, with ref: **BPP/S.I/VOL.XLX/511** for another assignment. NDEBUMOG, has been invited by agencies of the Federal Government to *observed* bidding processes for capital procurement(s) and related fiscal matters, among others. Some of these were conveyed, through letters with these reference numbers: **MNDA/PROC/26/VOL.1/10/33, NDBDA/PPC/VOL1/12/005, NDBDA/PPC/VOL1/13/005, NDBDA/PPC/VOL1/09/014, MNDA/PROC/26/VOL.1/10/1, MNDA/PROC/26/VOL.1/10/1, 2519/S.1/EITI/VOL.1/1861, SDGs/OSSAP/PM&E/05, PS/NPC/GC/06/IV/352, BPP/DG/2012/435, BPP/DG/2012/334, 2519/S.1/MIS/VOL.1/31, BPP/DG/2015/183, BPP/DG/2014/730, SSAP/MDG/M&E/60/TIII, SH/COS/70/A/4575, SAP(S&R)/VOL.011/01, BPP/S.1/CCM/10/VOL.1/126, SH/COS/70/A4691, 2519/S.1/MIS/VOL.1/10, BPP/RDD/13/VOL.1/185, BPP/DG/2013/1085, BPP/DG/2013/353, BPP/2013/926, BPP/DG/2014/370, BPP/DG/2014/111, BPP/DG/2012/005, BPP/DG/2012/1012, BPP/DG/2010/833, BPP/DG/2011/854, SSAP/MDGs/OP/1/II/T, 2519/S.1/VOL.1/09, BPP/DG/2012/1216, BPP/DG/2013/638, SSAP/MDGs/CSO/20, SH/BMPIU/T.13, BPP/DG/2013/541, BPP/DG/2010/899, BPP/RDD/16/VOL.1/130, BPP/DG/2013/143, HMF/FMF/0/09/1, et al.**

On engagements with Nigeria Extractive Industries Transparency Initiative (NEITI), the Niger Delta Budget Monitoring Group, was elected, into NEITI's-Civil Society Steering Committee in 2010. Later, in 2011, the organization, was elected as Civil Society Liaison Organization of NEITI/Head of Nigeria Extractive Industries Transparency Initiative's (NEITI)- Civil Society Steering Committee. A position, that subsisted, till 2012. NDEBUMOG's representative, was part of Nigeria's delegation to the Paris EITI Conference in 2011. It was an event, that, the 1st EITI's Validation for Nigeria, was announced. Within that period, precisely in 2010, NDEBUMOG, was elected to lead a mega (national)- Coalition for Accountability and Transparency in Extractive Industries, Forestry and Fisheries in Nigeria (CATEIFFN). The coalition's membership, included, Fisheries Society of Nigeria (FISON), Miners Association of Nigeria (MAN), et al. It was during, NDEBUMOG's, headship of CATEIFFN, that, the end-to-end research on the *Character and*

Nature of Nigeria's Extractive Industry was unveiled at Yar' Adua's Centre, Abuja. The end-to-end (research publication) is (evidently) in libraries of several Nigerian Universities. Upon, completion of the first tenure of CATEIFFN's leadership (2010/2011), NDEBUMOG, was reelected (involuntarily) for a second tenure. NDEBUMOG's, management objected and resigned, after a few days! It is on record, that, NDEBUMOG is a critical stakeholder in Nigeria's EITI processes. A research into NEITI's archives, can validate this fact, always!

After the formation of Economic and Financial Commission's (EFCC) Anti-Corruption Revolution Campaign (ANCOR) in 2009, through the support of European Union, NDEBUMOG, was elected, as Rivers State Coordinator of ANCOR. Later, at ANCOR's National Convention in Abuja, which, was conducted by the Economic and Financial Commission (EFCC), NDEBUMOG, was elected unopposed as south-south (zonal) representative to ANCOR's National Coordinating Committee (Board) under the EFCC. NDEBUMOG's election, was the only one, returned unopposed by delegates from any zone in Nigeria. ANCOR operationalized, under the EFCC, through support from European Union's support to Anti-Corruption Agencies in Nigeria. ANCOR's platform, was later mishandled by overzealous attitude of some civil society actors, which, led to the dissolution and disbandment of ANCOR's structure. Between 2014 and 2016, other civil society actors, through collaborations with the EFCC, came together to formed Anti-Corruption and Economic Crimes Support Network (ACE- Network) and readmitted NDEBUMOG into its membership.

Sub- nationally, NDEBUMOG, has engaged hundreds of government agencies in Akwa Ibom, Bayelsa, Cross River, Delta, Edo, Enugu, Federal Capital Territory (FCT) and Rivers state. Outside, governmental beneficiaries, several communities, stakeholders, think-tanks and civil society groups, among others, has benefitted from NDEBUMOG's programmatic-impact. Technically, NDEBUMOG, has provided technical support for programs and developmental interventions of several (collaborative) partners. For example, Kebetkache Women Development Centre, entered, into a technical partnership with NDEBUMOG in 2016. This technical partnership (with Kebetkache) was facilitated by Oxfam and lasted for 3 years. Over 3,000 people, mostly women, benefitted from this technical partnership, through capability building in areas of livelihoods, shadow budgeting, basic economic literacy, and fiscal inclusion.
